In the Matter of	:

GARY ROSENFELD, D.D.S.	:	
	:	CONSENT ORDER
Licensed to Practice Dentistry:	:	
in the State of New Jersey	:	
	:	

This matter was opened to the New Jersey State Board of Dentistry (hereinafter "the Board") upon the receipt of a patient complaint from P.S. on behalf of her sister C.P. who is a Social Security/Disability recipient. The complaint alleged that Gary Rosenfeld, D.D.S. (hereinafter "respondent") performed unnecessary dental work on C.P. and incorrectly advised C.P. that she needed a root canal as soon as possible. On November 20, 1996, respondent and his attorney, John P. Dizzia, Esq., were present at an investigative inquiry into the matter held by the Board.

Having reviewed the entire record, including the testimony of respondent at the investigative inquiry, it appears to the Board that respondent did not conform to standard dental practice in the State of New Jersey. This review disclosed that respondent failed to properly examine and chart the periodontal condition of C.P., and that respondent performed two quadrants of scaling and root

planing without proper documentation for the necessity of the treatment.

It appearing that respondent desires to resolve this matter without any admissions and without recourse to formal proceedings and for good cause shown:

IT IS ON THIS 4<sup>th</sup> DAY OF <sup>June</sup>~~May~~ 1997,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall forgive the outstanding balance, if any.
2. Respondent is hereby assessed a civil penalty in the amount of \$2,500.00 for failure to properly examine and chart periodontal condition and for performing two quadrants of scaling and root planing without proper documentation for the necessity of the treatment. The civil penalty shall be submitted by certified check or money order made payable to the State of New Jersey. Payments shall be sent to Ms. Agnes Clark, the Board of Dentistry, 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102.
3. Respondent shall successfully complete the following continuing education: fourteen hours in basic periodontics, fourteen hours in basic diagnosis and treatment planning, and seven hours in ethics. These courses, which are in addition to the regularly required continuing education hours, shall be approved by the Board in writing prior to attendance, utilizing the attached Pre-Approval Sheet. The courses must be completed within six months of the entry of this Order. Respondent also shall be required to complete the attached Continuing Education Report and Proof of Attendance as proof of successful completion of the

required course work. The attached forms are made a part of the within Order, and a separate form is to be used for each course.

4. Respondent is hereby assessed the costs of the investigation to the State in this matter in the amount of \$78.51. Payment for the costs shall be submitted by certified check or money order made payable to the State of New Jersey and submitted to the Board of Dentistry no later than fourteen days from the entry of this Consent Order.
